Conference Code: 202 - 481 - 8350

Webinar Description:

This is the second in a series of webinars that the Kansas Department of Health and Environment's Division of Health Care Finance will present on the Medicaid Electronic Health Record (EHR) Incentive Program. This webinar will provide an overview of the Medicaid EHR Incentive Program and application process for hospitals. The overview will include detailed information on eligibility, Federal rules, payment and program timelines, available resources, and other general information.

Objectives:

- Understand the Kansas Medicaid EHR Incentive Program
- Provide an overview of the application and attestation process
- Provide eligibility, payment, and program information

Who Should Attend:

This presentation is for hospital personnel. Therefore, individuals that may register on behalf of a hospital should attend this webinar presentation.
